I ("Photographer/Videographer") represent that I am the sole creator and owner of the photograph or video (the "work") submitted to the Friends of Northampton Trails and Greenways ("FNTG"). I grant FNTG a royalty-free license to publicly display the Work in a gallery and post indefinitely on its website without any compensation, and to caption and size the Work as FNTG deems necessary or desirable.

In public display and on-line I will be credited as the creator of the work (for videos multiple credits can be provided).

FNTG agrees not to put up for sale copies of the Work and to refer all inquiries about purchase to myself at the address listed below.

By accepting this agreement the Photographer/Videographer grants FNTG permission to use his or her name and Work to promote public awareness and trail use within the FNTG's website and 2012 print newsletter, and/or press release and publicity materials related to this year's contest without any compensation.
